

Priscilla Colstad Greenlees Collection

Description:

Priscilla Greenlees in 2014 donated complete runs of several journals to the Fiske Genealogical Library. They include *The Cogswell Family Association Newsletter*; *The Hawkes Association Newsletter*; *The Kimball Family*, and the *Morse Society Newsletter* from 1998-2012. These have been cataloged and are shelved in the Fiske Library. Additionally correspondence on the named families is filed in the box of the Greenlees Collection.

Priscilla Colstad Greenlees Collection

The box contains labeled folders with information on several of her major research lines. The papers include newsletters from the several family associations to which she subscribed, correspondence from other researchers, and additional information of interest to persons researching those family names. Some of the papers are limited to business of the several family associations. The folders are arranged alphabetically.
